By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/
reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About This School

## Caleb Cimmiyotti

- Principal, Redwood Collegiate Academy

About Our School

My name is Caleb Cimmiyotti, and I am privileged to serve as Redwood Academy's principal. Redwood Academy is a very special place to me because I have witnessed an amazing commitment to learning from both staff and students over my ten years teaching here. This is a small and supportive environment, serving grades 7-12, where we take our mission of preparing students for college and independent living very seriously. As a result, we, the Redwood Academy staff, have the honor of watching our students grow into young adults before they head off to college. If you have any questions about this SARC or wish to inquire further about Redwood Academy, please contact our office at (707) 467-0500.

## School Description and Mission Statement (School Year 2022-23)

Redwood Collegiate Academy is a small public charter school for grades 7-12 that opened in the fall
of 2000. Its mission is to prepare students for college and independent living in a safe, challenging, well-managed charter school. The school meets the needs of approximately 140 adolescents who are representative of the region. The Academy's nine classrooms and office building are centrally located in Ukiah on property leased from the Redwood Empire Fairgrounds, property of the 12th Agricultural District of the State of California. The school is governed by Charter Academy of the Redwoods, a non-profit public benefit corporation established in 1999.

Now in its twenty-third year, Redwood Academy is a fully accredited school that has been recognized three times as a California Distinguished School. It has been classified by the California Charter Schools Association as a "high quality" charter school and is a Title I school-wide program school.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

The Redwood Academy campus provides an office with a library, staff room, and three offices. There are nine permanent classrooms (Amherst, Berkeley, Chico, Davis, Exeter, Fullerton, Georgetown, Harvard, and Irvine). Students use the Junior building for morning, noon, and extra-curricular activities. Our campus is small, allowing for tight supervision, which insures a high degree of safety. Our facilities are clean and maintained on an ongoing basis to ensure good repair. Students participate in daily recycling duties in an effort to make sure classroom waste is handled in a responsible manner. Our school grounds, buildings, and restrooms are cleaned regularly and monitored throughout the day.

All Redwood Academy classrooms had the HVAC uniits and thermostats replaced in 2017-18 to be more energy efficient. As part of the project to make the campus energy efficient, new LED lights were also installed in all buildings. Summer 2018 maintenance projects completed included installing new carpet in Harvard, and new doors in Amherst, Berkeley, Chico, and Davis. New carpet was installed in the office during the summer of 2019, and new hydration stations were installed in the lunch building and by the campus restrooms during the fall of 2019. In the winter of 2019-20, new fiber optics cabling was installed to provide an updated school network. And in the spring of 2020, more new carpet was installed in Irvine.The exterior of the office, Fullerton, Georgetown, Harvard, and Irvine were painted in the fall of 2022. Planned maintenance projects include repaving the parking lot, additional painting as needed, and replacing the baseboard heating systems in Fullerton, Harvard, and Georgetown

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.
Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

## Opportunities for Parental Involvement (School Year 2022-23)

Redwood Academy welcomes parent involvement in governance through a Board of Directors, the School Site Council, and Parent Advisory meetings. Parents can attend orientation with their student prior to enrollment so that they understand the school's Academic, Behavior, and Dress Codes and know who to contact for help with student concerns and volunteer opportunities. Parents are able to visit their children in class, chaperone events, transport students to community sites and college visits, and access their student's grades in each class through a web based program named PowerSchool. Redwood parents are invited to attend an Open House in the fall,Demonstration Night twice-yearly in the winter and spring, and the Promotion, Awards, and Graduation Ceremony on the last day of school. Parents are encouraged to complete the Parent Satisfaction Survey; previous results have show $n$ a high level of satisfaction with comments and other responses used by the staff to improve services to students. All parents are also encouraged, along with their non-Redwood children, to participate in Family Fun Night which is held two times during the year.Parents interested in volunteer opportunities or other activities may contact our office at (707) 467-0500.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019-20 Only (data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School <br> $\mathbf{2 0 1 9 - 2 0}$ | District <br> $\mathbf{2 0 1 9 - 2 0}$ | State <br> $\mathbf{2 0 1 9 - 2 0}$ |

| Suspensions | $3.82 \%$ | $5.13 \%$ | $2.45 \%$ |
| Expulsions | $0.00 \%$ | $0.16 \%$ | $0.05 \%$ |

Note: The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## School Safety Plan (School Year 2022-23)

The school safety plan is reviewed and revised annually by the Chief Fiscal Officer and Coordinator of Facilities, Jim Switzer. The staff reviews the plan yearly, at our back to school meeting in August. The plan includes information about evacuation procedures, intruder alerts, and how to report safety concerns.

## Types of Services Funded (Fiscal Year 2021-22)

Ongoing programs and services at Redwood Academy to support and assist students include:

- scaffolded instruction using multiple modalities• small group instruction by the teacher and support staff tutoring in class;
- supervised "homework" in Guided Study class;• individual tutoring by the staff and student partners in class;
- increased use of computer-assisted instruction for specific standards;
- after-school tutoring from 3:30-4:20;
- summer session of 14+ days of instruction; and
- home-based opportunities for on-going practice w ith parent supervision.

Programs such as Kahn Academy and Read Naturally are used to target specific skill needs for the above interventions. Additionally, the Student Services Coordinator regularly monitors student achievement through the use of PowerSchool ${ }^{\circledR}$, which provides open access to the teachers' electronic grade books. Based on that monitoring, the SSC then provides academic advising and referrals to the above interventions as well as facilitates frequent communication between students, parents, and teachers.Finally, Redwood Academy contracts with Ukiah Unified School District to provide special education services for all students with or in need of an IEP.
