Charter Academy of the Redwoods

CAR Board Policy 501.1 Charter Academy of the Redwoods recognizes that student success results when students, their families, the community, the staff, and the charter-granting agencies work in a concerted manner to ensure each student's achievement. The staff will strive to ensure that all parties have the information they need to support students and the school in meaningful ways.

Sequoia Career Academy

Title I Parental Involvement Policy

1. Statement of Purpose

As stated in board policy 501.1, Charter Academy of the Redwoods (CAR) is committed to fostering the effort of all parties to fulfill the mission of preparing every student for a successful future in safe, challenging, well-managed charter schools. To accomplish this, we establish and enhance partnerships with students and families (including parents and guardians) and with the community. *Sequoia Career Academy* students and families play a key role in supporting the activities of the school including attending events, participating in meetings, supervising at-home study, and monitoring academic progress. This Title I Parental Involvement Policy is designed to augment CAR Board Policy in adherence with Title I requirements.

Parent involvement expectations will be distributed to all parents in the Student ~ Family Handbook, also posted on the school's web page at www.scacademy.org. We recognize that some students may need the extra assistance available through the Title I program to reach their goals. CAR will include parents in all aspects of the district's Title I program. The goal is a school-home partnership that will help all students to prepare for future success.

2. Parental Involvement in Developing the Policy

The Parent Advisory Meetings, consisting of parents and involving teachers, paraprofessionals, and administrative staff, representing each of the School Site Councils and other volunteers developed and will revise the CAR Parental Involvement Policy. Because both Academies are Title I school-wide program schools, all participants will be equally welcome.

3. Annual Meeting for Title I Parents to be Held for *Sequoia Career Academy*

All students and responsible adults will be required to attend an orientation or complete an orientation packet prior to enrollment and will be informed about the Academy's methods of communications. As posted on the school calendar, parents will be invited to attend an annual meeting for discussion of specifics concerning the instructional objectives and methods of the program. The parents will be given information about the Title I guidelines, program, and copies of the *Sequoia Career Academy* Parental Involvement Policy. They will be offered a chance to

become involved in revising the policies as needed. Parents will be encouraged to volunteer to serve at Parent Advisory Meetings and on the School Site Council. The annual meeting may be held, usually during quarter one. Translation (English-Spanish) will be available. Parents will be sent written notices, in the home language, about the meeting times and, if possible, be contacted through telephone calls by staff and/or parent volunteers to encourage as many parents as possible to attend.

4. School-Parent Compact

In keeping with CAR Board Policy 501.5 and Title I regulations, *Sequoia Career Academy* shares responsibility with parents for high student performance by signing a school-parent-student compact. These compacts outline how parents, staff, and students share responsibility for promoting high student achievement. All parents may be involved in revising these compacts by participating in the School Site Council. Parents will receive the compact, in the home language whenever possible, following enrollment. Parents are urged to discuss the compact with their students.

5. Types of Parental Involvement

Parents/guardians may become actively involved in their student's education in diverse ways. The Parent Advisory Meetings and School Site Council encourage five specific strategies:

- 1) planning and attending school-based events such as Showcase and Family Fun Night and participating in activities such as field trips;
- 2) participating in meetings such as Parent Advisory Meetings and School Site Council;
- 3) supervising at-home study using information about missing assignments;
- 4) monitoring academic progress by checking PowerSchool ® weekly and following up on missing work and low grades; supporting attendance at after-school tutorials; and
- 5) assuring student preparedness and proper attendance.

6. Matching Programs to the Needs of Our Community

Annually *Sequoia Career Academy* will assess the needs of parents and children through a variety of measures including parent interviews and satisfaction surveys sent home to parents so that the Title I programs may be revised to support individual student achievement. A library of selected resources, PowerSchool ® training, and educational sessions may be provided for the Parent Advisory Meetings as requested.

7. Staff-Parent Communication

Focusing on the future of every student

Communication with parents will involve all students and families. Methods will include but not be limited to: required orientation for new students; use of PowerSchool ®, e-mails, and a web page; maintenance of a timely school calendar of events, teacher conferences, student study team sessions, and calls home. Beginning at orientation, parents are requested to notify the staff in person or by e-mail of any concerns and to use the parent satisfaction survey to identify needs and suggestions.

8. Evaluation

The School Site Council will be involved in the process of school review, planning, and improvement. The group will collect and review information about student achievement. There will be an annual evaluation of the content and effectiveness of the Title I parental involvement program; parents will be asked for their suggestions. The evaluation will include an assessment of any changes in parental involvement and identification of barriers to parental participation. *Sequoia Career Academy* will revise its Parental Involvement Policy, if necessary, on the basis of this annual review. The site administrative staff will be responsible for adhering to all elements of the regulation and policy.

9. Barriers to Parent Participation

Parent Advisory Meetings and the School Site Council will ensure that barriers to participation by *Sequoia Career Academy* parents in school activities are identified and removed. Particular attention will be given to parents who are economically disadvantaged, disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background.

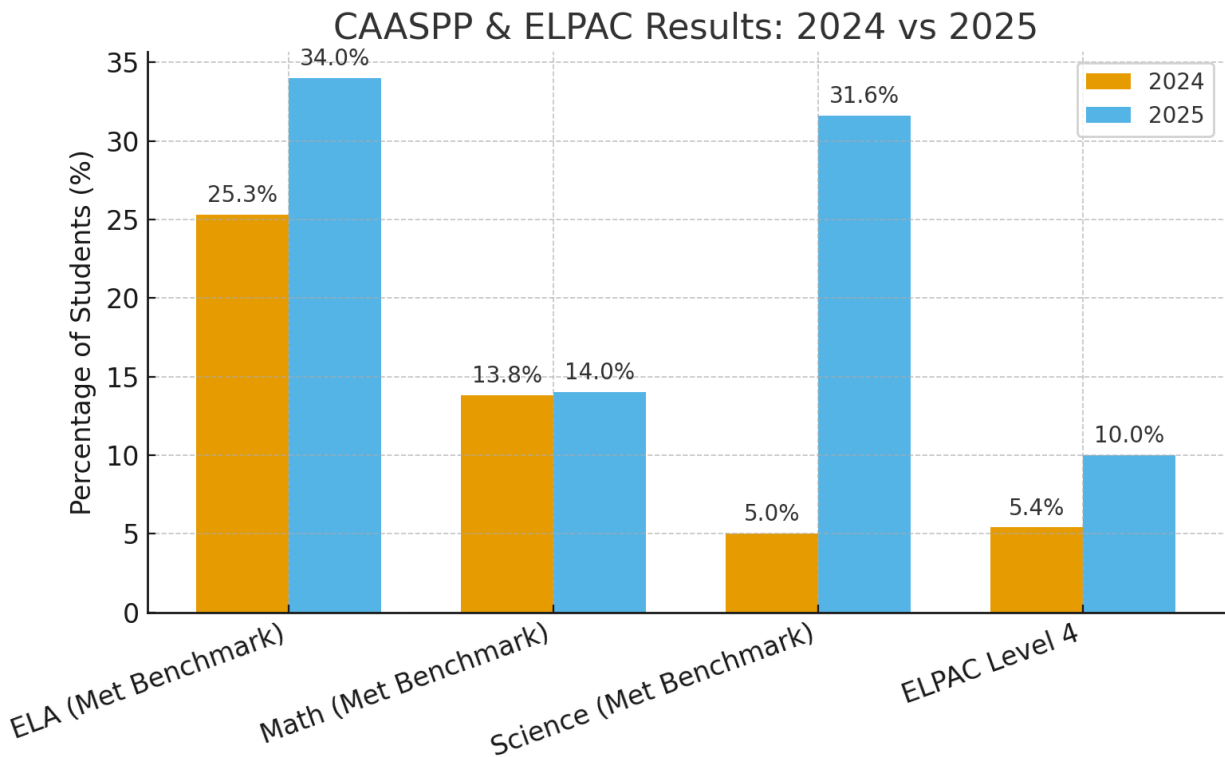

2025 CAASPP & ELPAC Results Summary

- **48%** of students showed growth in Math from 2024 → 2025

Comparison Chart (2024 vs 2025)

Note: In 2024, 8th-grade students at SCA did not participate in the California Science Test (CAST) because the assessment was not administered at that grade level. As a result, their scores are not reflected in the schoolwide science data.

This non-participation limits the completeness of our science achievement results and affects comparability across grade levels, the district, and the state. Without 8th-grade participation, the overall percentages for students meeting or exceeding standards in science may not fully represent our school's performance. Moving forward, procedures have been strengthened to ensure that all eligible students participate, supporting more accurate and representative data reporting.
